Staff Spotlight

Our June spotlight is on Sarah! She has been with us since April and is such a joy and full of sunshine. Sarah's hobbies include singing, golfing, coloring & painting, cooking, and exploring new places. In her spare time, she enjoys practicing golf, playing piano and singing, spending time outside and being with friends. Sarah has been a Certified Nursing Assistant, Direct Care Worker, worked in childcare and has also worked in the food industry. Her brother, Andrew and herself has been her biggest inspiration in her life. She serves as a bartender at XGolf in Grandville.

She hopes that she brings smiles, laughs, compassion and generosity to the residents and her fellow co-workers. She loves roses, her favorite colors are purple and baby blue. Sarah loves tacos and queso—but really any Mexican food in general. Her favorite memories are her trips to San Diego, the zoo, Balboa Gardens, and museums. What makes her happiest; are her dogs, sunshine, music and random acts of kindness! We love having her as part of the Legacies family!

Resident Spotlight

Our Resident spotlight is on Delphine. She is such a wonderful little lady and we enjoy her spirit! She has two children and two grandchildren. Delphine has enjoyed sewing and crocheting in her spare time when she was raising her children. She attended business college, and then was a secretary at Ford Motor Company before she had her children, then she worked in the office at a trucking company after having her children until her retirement. Some of her favorite memories, were of playing cards and being around family in one home, with some of the family living on one level and other family living on the second level. Delphine's biggest inspiration is her children. She loves daisies, the color beige and perogies. Family is what makes her happiest. We love having you as a member of the Legacies family Ms. Delphine!
